

LED BULB FAMILY

LB3WSS-E27
LB5WSS-E27
LB7WSS-E27

LB9WSS-E27
LB12WSS-E27

3W

5W & 7W

9W & 12W

Features

- Energy efficient LED bulbs
- Higher efficiency than traditional incandescent bulbs and compact fluorescent lamps
- Long lifespan with lower maintenance costs
- Easy installation, uses the same base as traditional bulbs, compatible with E27 bulb holders
- Environmentally friendly with no mercury and greatly reduced wastage
- Frosted diffuser provides diffused light with glow
- Low heat emissions compared to traditional lighting
- Available in 3000K & 6000K versions
- Available in 3W, 5W, 7W, 9W & 12W versions

Applications

- All types of general lighting
- Recessed, surface-mount and suspended fittings
- Homes, offices, shops, public buildings
- Corridors, lobbies, washrooms, reception areas
